

Progressive Combat Solutions Inc. is looking for host agencies for the 2009 calendar year. We will be scheduling courses across the country.

By conducting a course in your geographic area you can defer a significant portion of the training cost to your agency as well as other agencies by eliminating travel expenses, per diems, etc.

The minimum number of students needed to conduct a course is 10 paid tuitions. The maximum number of students that we can accommodate is 45.

There are two types of courses that can be hosted:

Open Course - The host facility provides the training locations and the course is an open enrollment for other officers from other agencies;

Closed Course - Closed courses are intended for only host agency officers and all tuitions are paid by the host agency. A Closed Course can be a customized course to meet a specified training need for the agency.

COURSE HOSTING REQUIREMENTS

- Classroom of sufficient size to hold the intended number of students with seating arrangements suitable for note taking and study (tables and chairs)
- Audio-visual capabilities, to include TV, VCR or DVD player and LCD projector that is computer compatible
- Gymnasium or Room w/ Mats or carpet for Arrest & Control Tactics

MARKETING REQUIREMENTS FOR HOST AGENCIES

- Send teletype to all local agencies
- Contact local agencies via phone, fax and/or email
- Post the provided training announcement flyer at local training academies, etc.

HOST AGENCY RECEIVES FREE STUDENT TUITIONS

The host agency that meets the above logistical, facility and marketing requirements receives 2 FREE student tuitions as long as the minimum 10 PAID tuitions is met.

Hosted course information will be displayed on the Progressive Combat website (<http://www.progressivecombat.com>) as well as other law enforcement related websites.

We will create a course brochure that can easily be faxed or emailed to your local network of agencies. A point of contact will be listed on this course brochure so that perspective students will have a local point of contact within the host agency to assist in their training/travel plans.

If you are interested in hosting a course, please complete the attached form and Fax to our toll free fax line, (866) 210-9108 or Email it to info@progeessivecombat.com

If you have any questions or concerns about any of the included information please feel free to let us know.

We look forward to working with your agency.
